Program Purpose

URBN Mansion will partner with local churches, nonprofit organizations, businesses, farms, food banks, restaurants, volunteers, and community groups to provide meals, groceries, and essential food support to individuals and families experiencing hardship.

Our Goal

To build a dependable community network that reduces hunger while treating every person with dignity, compassion, and respect.

Program Activities

- Community meal distributions and prepared-meal events
- Food, grocery, and fresh-produce drives
- Holiday meal giveaways and emergency food assistance
- Meal support for seniors and homebound residents
- Hygiene and essential household-supply distributions
- Nutrition information and referrals to local support services

People We Serve

- Families experiencing financial hardship
- Seniors and people with disabilities
- Veterans and individuals experiencing homelessness
- Returning citizens and people in recovery
- Youth, children, and residents affected by emergencies

Partnership Opportunities

Community organizations may participate in one event or become ongoing program partners.

- Donate food, beverages, supplies, grocery cards, or funds
- Prepare, sponsor, or serve meals
- Host a food drive, collection site, or distribution event
- Provide volunteers, transportation, storage, or delivery assistance
- Refer individuals and families who need support
- Share information about additional community resources

URBN Mansion's Role

- Coordinate participating organizations, volunteers, and donations
- Identify priority needs and select service areas
- Organize outreach, collection, and distribution activities
- Connect residents with additional community assistance
- Track meals, food packages, volunteers, and households served
- Recognize and promote participating community partners

Basic Program Process

1	Connect Meet with interested organizations and identify available resources.
2	Plan Select the service area, location, date, and distribution method.
3	Collect Gather and organize food, supplies, funds, and volunteers.
4	Serve Distribute meals or food packages safely and respectfully.
5	Measure Record results, community needs, and lessons for future events.

Intended Results

- Increase access to nutritious food and immediate assistance
- Reduce food insecurity among vulnerable residents
- Strengthen cooperation among community organizations
- Connect residents with longer-term services and support
- Build a consistent, caring, and dependable community network

Invitation to Partner

URBN Mansion welcomes local organizations, churches, businesses, farms, restaurants, and community leaders. Together, we can provide meals, share resources, and make sure more neighbors receive the support they need.
